# GIVING TUESDAY

GivingTuesday is a global generosity movement unleashing the power of radical generosity.

#GivingTuesday was created in 2012 as a simple idea: a day that encourages people to do good. Since then, it has grown into a year-round global movement that inspires hundreds of millions of people to give, collaborate, and celebrate generosity.

Whether it's making someone smile, helping a neighbor or stranger out, showing up for an issue or people we care about, or giving some of what we have to those who need our help, every act of generosity counts and everyone has something to contribute toward building the better world we all want to live in

Nonprofits, community organizers, grassroots groups, and mutual aid networks from all over the world have been using #GivingTuesday as a galvanizing moment for their communities since 2012. From amplifying their mission to fundraising, rallying volunteers to building a movement for their cause, there are hundreds of different ways to participate in #GivingTuesday.

Here, we've put together a list of members who are participating in #GivingTuesday and could benefit from your donation or commitment to volunteer. Every dollar counts and goes back into the organizations, enabling them to assist the thousands of St. Johns County residents who benefit from their services every day.

Join the movement and give – on GivingTuesday, each Tuesday, or every day. Whether it's some of your time, a donation, or the power of your voice in your local community, we can all work together and unleash the power of Radical Generosity..
